**Subject:** Nomination to South Coast Regional Stakeholder Group

Nominee: Dick Bobertz, Executive Director  
San Dieguito River Park Joint Powers Authority  
18372 Sycamore Creek Road, Escondido, CA 92025

Selection Criteria: Nominee directs Lead Agency for San Dieguito Wetland Restoration Project (San Dieguito Lagoon State Marine Park). The project is restoring 135 acres of tidally flushed wetlands and 500+ acres of associated upland habitat. As one of the founding members of the Wetlands Recovery Project San Diego County Task Force nominee regularly meets with regional representatives of wetland conservation organizations to identify ways to promote South Coast conservation of wetlands. Nominee also serves as vice-chair of the San Dieguito Watershed Council which was formed by stakeholders last year to implement a recently completed watershed management plan.

Nominee would utilize the regular meetings of these groups along with meetings of the Board of the San Dieguito River Park JPA (eight elected officials of local jurisdictions) for outreach.
